PROGRAM

ADMINISTRATIVE CONTROL

1. PURPOSE AND SCOPE

2. OBJECTIVES

The purpose of this program is to establish a system of administrative control for the organization. The objectives of the program are to ensure that all activities are carried out in accordance with the organization's policies and procedures, to provide a framework for the organization's operations, and to ensure that the organization is able to meet its obligations to its stakeholders. The program will be implemented through a series of steps, including the development of a policy and procedure manual, the establishment of a control system, and the implementation of the system. The program will be reviewed and updated as necessary to ensure that it remains effective and relevant.
